CORE VALUES

At the core of Surepoint is a solid formation of values that we all adhere to. Nurturing our culture and staying committed to these values is ingrained into our behavior everyday and the foundation for everything we do:

Performance

Respect

Ownership

Safety

INDIGENOUS RECONCILIATION

Anchored by our core values and principles, Surepoint Group understands reconciliation is rooted in relationship and a key factor in building a successful economy.

Our Indigenous Reconciliation Strategy is an active demonstration of our commitment to allocating the necessary resources to assist with the inclusion of Indigenous Peoples in all facets of our operations.

Including:

- People Development
- Supply Chain Development
- Environmental Sustainability
- Indigenous Community Investment & Engagement

COMMITTED TO COMMUNITY

The core of Surepoint is built upon the simplicity of “We Care”

It demonstrates our intention to build a meaningful presence in our communities and how we care for the people we work with. Being a part of a community can make us feel like we are a part of something greater than ourselves.

Throughout our numerous strategic branches, we are weaving the culture of “We Care” in a variety of ways:

- We Care Days
- Someday to Today Campaign
- Holiday Celebrations
- Fit Club - Active Living Program
- Volunteering at Non-Profit Organizations
- Local Community Investment
- Youth Sports Team Sponsorships
- Walk for Wenjack
- National Day for Truth & Reconciliation
- Career Fairs
- Apprenticeship Program

Having a sense of community embracing spirit, character, image and pride is a vital element of a healthy community. At Surepoint, we are committed to lead community-based and community-connected initiatives that support and contribute positively to the places where we live, work and play.

HEALTH, SAFETY AND ENVIRONMENT (HSE) PROGRAM

Safety Commitment

Surepoint Group is committed to providing a healthy and safe work environment for the benefit of its employees, contractors, management, clients, the general public and the environment. We are committed to our key goal: an injury and accident-free workplace.

To achieve this goal, we maintain a Health, Safety and Environment (HSE) program conforming to industry standards as well as to applicable health, safety and environmental laws and regulations. This program includes:

- Training all employees and contractors in safe operating practices
- Providing the necessary resource to support the HSE program
- Conducting health and safety meetings
- Conducting a program of health and safety inspections
- Hazard identification and risk control
- Incident/Accident Investigations and reporting
- Assigning responsibility and accountability to all managers, contractors and employees for safety performance
- Implemented a preventative maintenance program

WHY CHOOSE US

Proudly Employee Owned

One of our unique competitive advantages is our employee ownership. This model provides an extra level of pride in consistently delivering the highest level of quality on every project we work on. It is a big reason for higher retention rates among our team members and our customers benefit from working with familiar crews. As our employee ownership grows, we continue to pass down the benefits and quality of work to our customers.

WHY CHOOSE US

We Care

Caring is a competitive advantage! And we strive to extend that care to all aspects of our business, including our commitment to Indigenous reconciliation. “We Care” extends not only to each other, our clients, partners, and communities but also to supporting and giving back to the places we call home. We actively seek out opportunities to partner with First Nations communities and businesses and invest into organizations that align with our core value of “We Care”. We understand that building stronger communities benefits us all, and we are committed to making a positive impact through our work. Whether it’s sponsoring community events, supporting local charities, or being a responsible corporate citizen, we are dedicated to leaving a positive impact on the world. When you choose our company, you can be confident in our commitment to giving back and making a difference in the places where we live and work.

WHY CHOOSE US

Customer Experience

Providing the best customer experience and service is at the heart of everything we do. We work closely with our clients to understand their vision and provide expert guidance throughout the entire project. From design to completion, we work to ensure that every detail meets the highest standards. We believe that our clients should feel like they got the right value for our services, and that's why we strive to deliver exceptional results. When you choose us, you can have confidence in our ability to provide an outstanding customer experience.

PRODUCTS & SERVICES

We provide a complete range of high-quality services and products to meet our clients' needs. Our dedication to quality workmanship, customer service, workplace safety and the environment are at the forefront of everything we do. We work closely with our clients to ensure that projects are finished on schedule and within budget, doing whatever it takes to help them succeed.

ELECTRICAL & INSTRUMENTATION

We bring a vast range of E&I services specializing in:

New Construction, Maintenance, Turnarounds, Commissioning, Skid/Module Construction, Inspection Services, Trouble Shooting and Project Management.

COMPRESSION AND CONTROLS

Heavy-duty, analytical and controls services for all types of rotating equipment. Major equipment overhauls and exchanges, engine and compressor preventative maintenance, generator package construction and more.

MODULAR BUILDINGS & EQUIPMENT PACKAGING

Our shop is ISO 9001:2015 certified and our fabrication team has years of experience in building enclosures for electrical and mechanical integration.

We offer a wide range of self-framed building products which can be delivered pre-erected or unassembled for field installation, and designed for a variety of applications:

- | | | |
|--|---|--|
|  MCC Buildings |  E-Houses (low, med, high voltage) |  Control Buildings |
|  VFD Buildings |  Power Generation Buildings |  Pump Systems |
|  SWGR Buildings |  Substations |  Telecommunication Shelters |

COMPRESSION PARTS DISTRIBUTION

We are one of the top distributors of compressor parts in Canada, stocking and supplying parts on all major brands of reciprocating natural gas engine and compressor lines. Our branches carry product lines featured on the right.

Our parts and service technicians are specialists that have earned the reputation as the industry experts for troubleshooting, repairing and rebuilding natural gas engines and compressors.

Whether you require a single part, an entire overhaul kit exchange engines, a complete warehouse replenishment solution, or a comprehensive overhaul including parts and service, we will meet your needs.

LOOKING FOR A PART?

Search our comprehensive online database or send us an email at parts@surepoint.ca

COMPRESSION RENTALS

Surepoint's extensive inventory of stock compression products includes small to large horsepower reciprocating and rotary screw packages.

Whether your needs are short-term or long-term, Surepoint is your single source for proven, cost-effective and timely compression.

CONTRACT COMPRESSION OR BARE RENTALS

Think "All-Inclusive" vs. "Time & Material"

CONTRACT COMPRESSION

The all-inclusive option includes:

- Scheduled & Unscheduled Maintenance
- Major & Minor Overhauls
- Start-up and Decommission
- Run-Time Guarantee
- Travel Time and Mileage

BARE RENTALS

This provides the end-user the option to continue to utilize an alternate third party provider or pay-as-you-go to Surepoint for parts/services required.

PURCHASE COMPRESSION

Surepoint Compression will help you monetize your active fixed compression assets and lease them back to you at competitive rates.
